## ALEXANDER & WILKS

**RECEIVE 10% OFF**

When you spend over £100  
[Alexander & Wilks](#)

New products by Alexander & Wilks have landed. Representing the very best of architectural hardware and ironmongery. Using both time-honored craftsmen's skills, combined with the latest computer-aided precision manufacturing, results in a collection of beautifully made items with flawless results.

## FEIN

**10% OFF**

[Fein Accessories](#)

For one day only receive 10% off Fein accessories, the perfect time to top up on your favorite products. From sanding, drilling and cutting, we've got you covered.

## REISSER

**£68.94 + VAT**

[Cutter Screws \(2115\) & Case Deal](#)

The Reisser Crate Mate range of cases and accessories allow you to build the system you need. For the SSC1 (142mm) there are a range of moulded trays each with a varying number of five, ten or eighteen compartments, enabling a different assortment of screws to be on display and easily grabbed while on the go. **The case comes fully stocked with approximately 2115 screws. RRP. £82.73**

## CARHARTT

**FREE A18 Hat**

when you spend over  
£100 on Carhartt  
Clothing\*

Treat your loved ones to Carhartt clothing. As we head into the winter months, you wouldn't go wrong in investing in a few key staple pieces that will last year after year. The A18 Watch Hat quickly rose as an icon. Originally designed as a workwear essential, it can now be found at construction sites and campgrounds, state fairs and football stadiums. A great giveaway not to be missed!

## BOSCH

**Receive 20% off**

Order 10+ packs of Jigsaw  
blades

Perfect for a clean, powerful cut through a variety of materials. Tough jobs require tough tools. These EXPERT jigsaw blades have carbide teeth, which means greater rigidity and resistance to abrasive materials. This gives you better, cleaner cuts for longer. Our jigsaw blades cut through plastic, metal, wood and laminate.

## FESTOOL

**Free Ice scraper**

when you order 205034  
Battery

The Li-High Power Compact battery pack enables effortless work thanks to weighing under 600 g. It is therefore 20% lighter and 50% more compact than a 5.2 Ah standard battery pack. It saves weight without reducing performance. Because, thanks to the Li-High Power cell technology, it is powerful enough for any application.

## MIRKA

**Receive 20% off**

Mirka Ligno 150mm Discs

Ultimax® Ligno is tailored for wood sanding applications. Fast and even cut thanks to special hourglass abrasive pattern, long service life with good resistance to clogging. Specially developed latex impregnated paper for flexibility and edgewear resistance, features Mirka Multifit hole pattern.

**OFFERS END MONDAY 27th NOVEMBER 2023**
