Vesper Hex T-Bar Cabinet Pull

T Pull Handle in different bar diameters and lengths. A hex bar sitting atop two inset pedestal stems. A sturdy hexagonal design making it suitable for many different environments, especially where a strong, hardwearing pull handle is required. .

Spitfire Hex Lever on Round Rose

The Alexander and Wilks Spitfire door handle features a modern hexagon feel, against a T-bar cylindrical stem silhouette, finished with a plain round rose. This contemporary lever door handle has a simple yet decorative industrial-inspired design, leaving a thoroughly modern and luxurious impression.

Inspired by the incredibly successful WWII aircraft, the Spitfire. The Spitfire had a groundbreaking design and superior specifications including a quality Rolls-Royce engine. The Spitfire became a symbol of victory after WWII, due to the decisive advantage it gave the British forces.

Vesper Hex Cabinet Knob

With an innovative design and robust feel, the Vesper Hex knob perfectly compliments modern environments, as well as traditional interiors. The hexagonal design gives an industrial look, whilst still achieving a modern impression. This knob also comes with a 10 year mechanical guarantee.
